12.4 Retirement Incentive Plan - The Board shall recognize the service of full-time teachers who have rendered at least 20 years full-time of creditable service to Maroa-Forsyth CUSD # 2 immediately preceding retirement, and who are eligible to receive regular retirement pension benefits through the Teachers Retirement System of the State of Illinois.

a. Requirements to Qualify – To be eligible for this benefit a teacher must comply with all the following requirements and limitations:

1. Must be at least fifty-five (55) years of age by December 31 of the year of retirement with thirty-five (35) or more years of creditable service with the Illinois Teachers' Retirement System; or
2. If an employee is ineligible under subparagraph 1 hereof, the teacher must be at least 60 years of age by December 31 of the year of retirement.
3. Have a minimum of twenty (20) years full-time service in Maroa-Forsyth CUSD # 2.
4. For teachers applying for the retirement incentive plan after May 1, 2018, the teacher's retirement must be effective the first year that the teacher is eligible to retire with a full annuity not subject to reduction and without causing the district and the teacher to have to pay a penalty or other monies constituting a contribution or surcharge to the Teachers' Retirement System.

One Year Plan

If an eligible employee gives the Board an irrevocable letter of retirement prior to May 1st stating that he/she shall retire at the end of the next school year, the employee will be removed from the salary schedule and for the final year of employment the employee's TRS creditable earning shall be increased by five percent (5%) over the employee's TRS creditable earnings for the prior year of employment.

Example:

An employee applies for the plan one year before retirement. The employee's TRS creditable earning for the 2010-2011 school year were \$40,000. The employee's final year TRS creditable earnings will be 42,000. ($\$40,000 \times 1.05 = \$42,000$).

Two Year Plan

If an eligible employee gives the Board an irrevocable letter of retirement prior to May 1st two (2) years prior to the year of retirement, the employee will be removed from the salary schedule and for the final two (2) years of employment the employee's TRS creditable earning shall be increased by five percent (5%) over the employee's TRS creditable earnings for the prior years of employment respectively.

Example:

An employee applies for the plan two years before retirement. The employee's TRS creditable earnings for 2010-2011 school year were \$40,000. The employee's first year TRS creditable earnings will be \$ 42,000. ($40,000 \times 1.05 = \$ 42,000$). The employee's final year TRS creditable earnings will be 44,100. ($\$42,000. \times 1.05 = \$44,100$).

Three Year Plan

If an eligible employee gives the Board an irrevocable letter of retirement prior to May 1st three (3) years prior to the year of retirement, the employee will be removed from the salary schedule and for the final three (3) years of employment the employee's TRS creditable earning shall be increased by five percent (5%) over the employee's TRS creditable earnings for the prior years of employment respectively.

Example:

An employee applies for the plan three years before retirement. The employee's TRS creditable earnings for the 2010-2011 school year were \$40,000. The employee's first year TRS creditable earnings will be \$ 42,000. ($40,000 \times 1.05 = \$42,000$). The employee's second year TRS creditable earnings will be 44,100 ($\$ 42,000. \times 1.05 = 44,100$). The employee's final year TRS creditable earnings will be \$ 46,305. ($\$44,100. \times 1.05 = \$ 46,305$).

Four Year Plan

If an eligible employee gives the Board an irrevocable letter of retirement prior to May 1st four (4) years prior to the year of retirement, the employee will be removed from the salary schedule and for the final four (4) years of employment the employee's TRS creditable earning shall be increased by five percent (5%) over the employee's TRS creditable earnings for the prior years of employment respectively.

Example:

An employee applies for the plan three years before retirement. The employee's TRS creditable earnings for the 2010-2011 school year were \$40,000. The employee's first year TRS creditable earnings will be \$ 42,000. ($40,000 \times 1.05 = \$42,000$). The employee's second year TRS creditable earnings will be \$44,100 ($\$42,000. \times 1.05 = 44,100$). The employee's third year TRS creditable earnings will be \$46,305. ($\$44,100. \times 1.05 = \$ 46,305$). The employee's final year TRS creditable earnings will be \$ 48,620. ($\$46,305 \times 1.05 = 48,620$).

In addition, if a letter of retirement is received by May 1st prior to the final four years; the teacher having 90 or more accumulated sick leave days will be immediately granted additional days to reach a total of 170 sick days. Anyone above 180 or more accumulated sick days will be immediately granted additional days to reach a total of 340 sick days.

In the event an employee has submitted his/her timely irrevocable letter of retirement but fails to meet eligibility requirements because of illness or life changing circumstances, the employee may rescind his/her letter of retirement, provided the employee returns to the Board any TRS creditable earnings paid to the employee in excess of the amount the employee would otherwise have received under the salary schedule for such year(s) in which the creditable earnings were paid.

If an employee has an extra duty obligation at the commencement of the retirement incentive program and ceases to perform those services during the retirement incentive program period, the calculation of the employee's five percent (5%) increase

shall be reduced by the amount of the extra duty compensation.

Example:

An employee applies for the plan three years before retirement. The employee's TRS creditable earnings for the 2010-2011 school year were \$40,000. The employee's first year TRS creditable earnings will be 42,000. ($\$40,000 \times 1.05 = \$42,000$). The employee's second year TRS creditable earnings will be \$44,100. ($\$42,000 \times 1.05 = \$44,100$). The employee ceases to perform an extra duty assignment for which he was paid \$2000. in his final year of employment. The employee's final year TRS creditable earnings will be \$44,205. ($\$44,100 - 2,000 \times 1.05 = \$44,205$).

After irrevocable letter of retirement is received, no additional extra duty obligations will be applied for or assigned.

If, during the term of this Agreement, legislation is enacted and/or administrative rules are implemented that require the Board to pay a penalty to TRS or incur a greater cost than the costs generated by this Section, by reason of a teacher retiring hereunder, the provisions of this Section shall be suspended and the parties will meet to renegotiate said provisions.

b. “At no time shall an employee receive more than six percent 6% increase in total reportable creditable earnings from one year to the next year once they become retirement eligible according to TRS Guidelines. Should the Illinois General Assembly or TRS impose a salary threshold greater or lesser than six percent (6%), thereby causing the payment of any penalty or other monies constituting a surcharge to TRS, then this agreement shall automatically incorporate this new threshold upon its effective date.”

Article XII
FAIR SHARE AGREEMENT

13.1

a. Each bargaining unit member, as a condition of his/her employment, on or before thirty (30) days from the date of commencement of duties or the effective date of this Agreement, whichever is later, shall join the Association or pay a fair share fee to the Association equivalent to the amount of dues uniformly required of members of the Association, including local, state, and national dues.

b. In the event that the bargaining unit member does not pay his/her fair share fee directly to the Association by a certain date as established by the Association, the Employer shall deduct the fair share fee from the wages of the non-member.

c. Such fee shall be paid to the Association by the Employer no later than ten (10) days following deduction.

d. In the event of any legal action against the Employer brought in a court or administrative agency because of its compliance with this Article, the Association agrees to defend such action, at its own expense and through its own counsel, provided:

(a) The Employer gives notice of such action in writing to the Association and permits the Association intervention as a party if it so desires, and

(b) The Employer cooperates with the Association and its counsel in securing and giving evidence, obtaining witnesses and making relevant information available at both trial and all appellate levels.

e The Association agrees that in any action so defended, it will indemnify and hold harmless the Employer from any liability for damages and costs imposed by a final judgment of a court or administrative agency as a direct consequence of the Employer's compliance with this Article.

It is expressly understood that this hold harmless provision will not apply to any claim, demand, suit or other form of liability which may arise as a result of any type or willful misconduct by the Employer or the Employer's imperfect execution of the obligations imposed upon it by the Article.

f. The obligation to pay a fair share fee will not apply to any employee who, on the basis of a bona-fide religious tenet or teaching of a church or religious body of which such employee is a member or a belief sincerely held with the strength of traditional religious views, objects to the payment of a fair share fee to the Association. Upon proper substantiation and collection of the entire fee, the Association will make payment on behalf of the employee to a mutually agreeable non-religious charitable organization as per Association policy and the Rules and Regulations of the Illinois Educational Labor Relations Board.

Article XIV
DISCIPLINE OF EMPLOYEES

14.1 For purposes of this Article, discipline shall be limited to suspension without pay or benefits of the employee from his/her position as a certificated employee of the District and termination during the term of a contract of employment of a nontenured employee. No other form of action by the Administration or Board of Education, including, but not limited to actions such as change of work assignment, oral or written reprimands, notices of remediation, or reduction in force are discipline. Evaluation, or remediation, if any, as a result of evaluation, is not discipline. A decision of the Board of Education that the employment of a nontenured employee should not be renewed at the conclusion of a contract year is not discipline. Tenured employee dismissal under the School Code, and suspension without pay coupled therewith are reviewable only as provided under the School Code, and not through the grievance procedure outlined in this agreement.

14.2 The facts of any matter which may lead to discipline shall be thoroughly investigated. Prior to any final decision regarding discipline by the Board of Education, the Superintendent, or his designee shall advise the Association and the employee of the proposed discipline, the facts of the matter, and his tentative recommendation thereupon. If agreement is not reached, the matter shall be referred to the Board of Education.

14.3 When the matter is considered by the Board of Education, if agreement was not reached at the step above, the Association shall have the right to make an oral or written presentation to the Board of Education in executive session. The Board of Education shall consider the matter.

14.4 If the decision of the Board of Education involves suspension without pay and benefits, or termination of employment during the contract term of a nontenured employee, the action shall be taken, effective at such time as the Board determines, but such action shall be reviewable in a post-discipline hearing via the grievance arbitration procedure as outlined herein.

14.5 No suspension without pay and benefits shall exceed ten (10) school days in length. Nothing in this agreement limits the right of the Board of Education to suspend employees with pay.

14.6 In reviewing discipline, the Arbitrator shall not reverse the decision of the Board of Education except if the discipline is not based on just cause.

14.7 The Board reserves to itself and the Administration to establish additional rules and procedures, but such shall be provided to applicable employees prior to discipline therefore.

Article XV
